Introduction

The **Pace of Play Manager** allows you to track each Tee Times within the **Tee Time Admin Dashboard**. This is a manual process where you may log when rounds begin, log the next turn, and log the final time of play.

Use Case(s):

- As an Admin, I would like to be able to log when a group begins their Tee Time, log the turn, and log the final time of play.
- As an Admin, I would like to track Pace of Play to run and export reports on average play time by member and by course.

Accessing Pace of Play

To access **Pace of Play** begin on the **Tee Times Admin Dashboard**. Hover over **Administration** then **Pace of Play**, and click **Pace of Play Manager**.

Tee Times Admin Dashboard*

The screenshot shows the 'Administration' tab selected in the top navigation bar. A red box highlights the 'Administration' tab, with a blue circle containing the number '1' above it. Below the navigation bar, the 'Proshop Dashboard' is visible. The 'Special Events' section has a 'Report Title' dropdown menu set to 'Daily Operations*' and an 'UPDATE' button. The 'Lottery Manager' section includes links for 'Block Out Starts', 'Recurring Reservations', and 'Manage Del...'. The 'Manage Custom Starts' section has a blue circle with the number '2' above it. The 'Handicapping' section shows the date 'ay, November 07' with navigation arrows. The 'Pace of Play' section is highlighted with a red box, and its sub-menu 'Pace of Play Manager' is also highlighted with a red box, with a blue circle containing the number '3' above it. Other sub-menu items include 'Pace of Play Summary' and 'Pace of Play Detail'. A date 'ay, November 8, 2017' is visible at the bottom right of the dashboard.

Once the page loads, you will see all of your potential tee times within the manager.

The screenshot shows the 'Pace of Play Manager' interface. At the top, there is a 'Course' dropdown menu set to 'North' and a 'Date' field set to '11/8/2017'. Below this are tabs for 'Starts', 'Turns', 'Finishes', 'Pace', and 'All Logged'. The 'Starts' tab is active. The main content area displays two tee time entries: '1:00 PM North' and '1:20 PM North'. Each entry has a 'Now' button and a 'Choose Time' button. The first entry also shows a list of players: '(18) 1st Tee - Randy Stemp Guest TBA Need Player Need Player'. The second entry shows: '(18) 1st Tee - Clint Able Guest TBA'.

Logging Pace of Play

To begin logging, simply **click on the Start Tab.**

This screenshot is identical to the previous one, but with a red box highlighting the 'Starts' tab in the navigation bar.

To log the current time, **click now.**

This screenshot is identical to the previous one, but with a red box highlighting the 'Now' button for the 1:00 PM tee time entry.

To log a time in the future, or the past, **click Choose Time**.
